About Us

Maroomba Airlines is a Western Australian owned and operated air charter company, connecting Perth with Regional WA and beyond since 1985. We have grown and developed broad experience across all aspects of aircraft charter and gaining an enviable reputation for the highest level of safety and customer service.

The Role

We are looking for hardworking, motivated and reliable individuals who will be responsible for providing timely, professional and safe ground operations from our Perth Domestic Airport facility.

Some of the duties include:

- Loading/unloading of baggage and freight;
- Assisting with boarding, disembarking and escorting passengers around the apron;
- Aircraft start up, marshalling, towing;
- Assisting with internal aircraft cleaning and aircraft toilet servicing;
- General cleaning and maintenance of terminal, facilities and ground service equipment.

Ground Handlers will also be expected to perform customer service duties when required, some of the duties include:

- Passenger check in and boarding;
- Daily operational assistance and document management of flights;
- Providing a prompt and timely service to all passengers and clients;
- Assist customers with their enquiries, face to face and by telephone.

The Right Person:

- Demonstrated professional work ethic and positive disposition;
- Will have a desire to deliver exceptional customer service;
- Will have the ability to work under pressure and coordinate multiple tasks.
- Alert and assertive, with a strong attention to detail;
- Must be physically fit to perform regular lifting duties;
- Must have a current unrestricted Drivers License (C Class);
- Must have (or be eligible to obtain) an Aviation Security Identification Card (ASIC);
- Flexibility and be able to commit to working shift work, including early morning, nights and public holidays.
- Previous experience in a similar position is advantageous but not essential as full training will be provided.
